AGENDA:

The following items will be available for public engagement:

One station for each of the following Recovery Support Functions (RSF):

1. Community Planning and Capacity Building
2. Economic
3. Health and Social Services
4. Housing
5. Infrastructure
6. Natural and Cultural Resources

Subject matter experts will be present to engage with participants regarding the following:

1. How individuals define recovery?
2. What resiliency means to individuals?
3. To discuss what characteristics define individual communities with East Baton Rouge Parish, what functions of recovery we may enhance, and who can help us achieve a more resilient future?

Each event will be an open house discussion forum for a total of two (2) hours. To the best of the host's ability, discussions and feedback will be documented on display boards and other basic office supplies. Photography and filming will be conducted at each meeting and photograph consents will be made available. Local, state and federal partners will combine efforts to facilitate each event.

Additional information regarding the abovementioned events can be found on www.brla.gov/EBRPRecovery or by following **@RedStickReady** on social media.
